## Price Museum of Speed

On March 9 the WMJR had the opportunity to tour the Price Museum of Speed in Salt Lake City. The museum has a great collection of vintage race cars. It truly is a great representation of early racing history.

Although it is not be one of the biggest car museums there is, it is one of the nicest. With great information on all of the cars on display. The centerpiece of the collection is the 1938 Mormon Meteor III and a bronze bust of Ab Jenkins. Ab Jenkins is considered to be the father of salt racing and set more automobile records the any

man in history. Everyone that attended had a great time and loved seeing all the cars. We would like to thank the museums curator for opening up for the club on a Saturday. After the museum we headed over to the Other Place Restaurant for some great food. Those who attended the museum were Ken & JoAnn Borg, Mike & Susie Cady, David Christensen, Karl & Jean Hendrickson, James & Susan Jennings, Kay Jennings, Jackson Jennings, Jim Klekas, Jeff Klekas, Marvin May, Mitri & Jane Muna, Dill Strasser and his grandson, Jeff Wade. With Duane & LeAnn Allred and Hermione Klekas joining us at the restaurant.

More photos from this event are on our website.

We would like to thank Steve and Deanie Kennedy for being the proxies for the WMJR again this year at the AGM.

## 2024 AGM Report

First, we would like to thank the Wasatch Mountain Jaguar Register (SW39) for allowing us to carry your proxies to the 2024 AGM in Charlotte, NC. The AGM was hosted by the Carolina Jaguar Club and held at the Embassy Suites Hilton across the street from the NASCAR Hall of Fame Museum on March 14-17th. Steve and Deanie Kennedy left Denver on Wednesday, just before the big snow storm that closed DIA on Thursday.

There was a Meet and Greet cocktail party atop the Fahrenheit Charlotte Thursday evening. Friday morning was a tour of the RK Motors Museum. They had a vast collection of race cars and a few classics. The one Jaguar we did get to see was owned by one of the local club members,

### Saturday AGM

The morning started out calm with various reports being covered. When it came time for the JCNA-JLR Report, Fred Hammond had not previously submitted one. He wanted to clear up various rumors. Jaguar Cars is not closing and is not being purchased by China. Fred says that yes, numerous dealerships have lost their franchises. That is just due to restructuring and getting ready for the move to the All-Electric models.

For the IJF, there may be some changes coming. The initial plans to hold the IJF at Flagstaff is currently on hold due to some management concerns.

**Rule Book**, there was lots of heated discussion regarding that Judges Schools be held NO LESS THAN 30 days prior to the concours, but in the end, most everyone agreed to it.

Finally, on to the evening's Awards Banquet where Deanie was awarded 1st Place, of course, for her Italian Racing Red, 2014 XKR-S with a score of 99.93. Steve will have to do more cleaning to bring that score up for next year.

After leaving Charlotte, Steve and Deanie went down to visit some Jaguar friends in Florida and help them hold their Judge's School and get Cyndi Certified as the Sun Coast's Chief Judge. Some of their Judges had judged in the past, others are now qualified as Apprentice Judges. They must apprentice at one concours before they are certified to judge at other concours.

Thank You to the companies who helped sponsor the AGM, the Carolina Jaguar Club for hosting the AGM and Thank you again to the Wasatch Mountain Jaguar Register for letting us carry your proxies.
