# Important information

With many new members the WMJR has decide to get name tags. The name tags will have the magnetic back so no one has to put holes in their clothes. They are \$10.00 each. Club members will only pay \$5.00 each with the club paying the other half.

We have sent out an email to the google group that needs to be responded to **ASAP**. It includes a form for you to fill out and return with the quantity you are ordering and how you would like your name spelled. Please email the form back to Jackson Jennings at [wmjr1976@gmail.com](mailto:wmjr1976@gmail.com). We are going to place the order on August 9, 2022, so the latest we can accept your form will be August 7, 2022. If you have any questions you may also email him.

**Drive and tour of WERX 45 at Utah Motorsports  
Campus  
July 23, 2022**

The WMJR and the BMCU were invited out for a tour of a new shop WERX 45 owned by Pete Mercier at the Utah Motorsports Campus.

Pete provided a tour of his shop and served lunch to everyone who attended. After lunch Pete wanted to go out and see the cars so he would have an idea of what the club members owned. He then told all of us that he has been a lifelong fan of British cars and would like to get involved with the local British car clubs.

The event was finished off with the cars taking a parade lap around the track.

If you would like to get touch with him about working on your car please contact him at:

## August Events

### August 13, 2022

We have been invited to participate in the Glenwild Car Show. Information was sent out last week on the google group email. If you want to participate you should get your application filled out ASAP so all our cars can be grouped together. If you have any questions you can contact Barry Hanover at 801-671-9788. See enclosed registration form on Page 6.

### August 20, 2022

Since our car show was unavoidably canceled, we have decided to replace that event with a club drive north to Huntsville for a picnic lunch. It has been many years since we have done this drive and are looking forward to it. The road is great and perfect for Jaguars. The scenery is beautiful going up Emigration Canyon and into the Morgan Valley. Huntsville is a quaint little farm community with a shady park and two nice cafes and a coffee shop where lunches can be purchased. We hope you all will join us!

We will meet at Rotary Glen Park (1/2 block east of Hogle Zoo on Sunyside Avenue) at 9:30 am for a 10 am departure. After a very brief stop at Big Mountain, we will continue down past East Canyon Reservoir and into Morgan. We will make a pit stop at the Exxon Station/Convenience Store in Morgan. Club members coming from the Layton-Odgen area will join us at this time (between 11 and 11:30 am). After 20 minutes or so to cool our thirst, we will continue on to join the Old Highway Rd west to Mountain Green. At the junction of 167, we will turn right and continue on to Trappers Loop Road. At the Junction of SR39 we will make a right turn and follow the signs to Huntsville. We should arrive at the shady Huntsville Park around lunchtime. You can bring your own picnic lunch or order from either the Shooting Star or IDK BBQ. Their menus are attached. <https://idkbarbecue> or <https://www.restaurantji.com/ut/huntsville/shooting-star-saloon/> Great food at either place.

Afterwards you may choose your own route home. We look forward to seeing all of you there.
